## Military Names for Memorial Day Service

Memorial Day dates back to the Civil War when more lives were lost than in any other war in US history. It was celebrated on May 30 for almost a century, from 1868 to 1970, before it was moved to the last Sunday in May. It has evolved to include all American military personnel who died in different wars.

On Sunday, May 26, 2019, we will recognize our fallen heroes. If you have a family member or loved one who died in active service, please contact the Church Office at 440-255-3496 or [info@mentorumc.org](mailto:info@mentorumc.org). Please include your name, their name, relationship to you, and war or date when they perished. Thank you for helping us honor our heroes!

## From the Pastor

The United Methodist Church's General Conference has the exclusive right to speak officially for the denomination. No person, no paper, no organization has that authority. Typically, the General Conference meets every four years. It is made up of equal representation from laity and clergy, voted to serve by each conference across the United Methodist Church. It represents our global denomination from the United States, Europe, Africa, Asia, and the Philippines. The last regularly held General Conference was in 2016. At that conference, after years of debating matters of human sexuality, the General Conference spoke by vote and called a special session for 2019 with the issue of human sexuality the only matter on the agenda.

The Special General Conference was held on February 23-26. During the conference, the United Methodist Church spoke to adopt a Traditional Plan that affirms the historic belief in monogamous, heterosexual marriage as the Scriptural standard for those who follow Jesus. This plan keeps the language that has been in UMC Book of Discipline for forty years outlining "the practice of homosexuality as incompatible with Christian teaching" and prohibiting the church from performing same-sex marriages and ordaining those who practice homosexuality. The traditional plan which was adopted additionally attempts to hold denominational leadership accountable for enforcing church rules on this issue.

The actions of the Special General Conference are NOT intended to bar LGBTQ+ individuals from being welcomed and invited into congregations of the UMC and into a life of discipleship and faithfulness to Jesus. In the Book of Discipline, the church still affirms that "God's grace is available to all" and proclaims that "we will seek to live together in Christian community, welcoming, forgiving, and loving one another, as Christ has loved and accepted us. We implore families and churches not to reject or condemn lesbian and gay members and friends. We commit ourselves to be in ministry for and with all persons."

We know that the people of Mentor UMC do not see eye-to-eye on the issue of human sexuality. We know that most (if not all) of our beloved people here have friends and family who are LGBTQ+. Many in our congregation are heartbroken over the message that these friends and family are receiving that they are rejected and unwanted by God or the church. We also know that many of you share the conviction of the majority of delegates that loving the LGBTQ+ community does not preclude upholding the traditional standard for Biblical sexuality. We are committed to remaining in community, conversation and fellowship with each other on this issue, as well as so many others, that will continue to face our church in the years ahead. We remain focused on our mission to lead ALL on to a path of Christ-centered discipleship, extending that call to every person of every background. Our identity and worth as Christians is found in who Jesus says we are in His Word, and every person in this world is a priceless soul for whom Jesus died. Our greatest hope and prayer is that our church will be a place where EVERY person is met with the truth of the Gospel message and called to a life of transforming love and obedience to our Savior and Lord.

## Through The Years

With the Easter season upon us, we are reminded of many traditions and customs that are familiar to our families. Wearing your Easter finery, sunrise services, Easter baskets, and Easter flowers are some of the ways we celebrate the Resurrection. The universality of Easter celebrations is reflected in the many different traditions observed around the world. In England, there is an activity known as Egg Jarping. It's also called egg tapping, egg fighting, egg knocking, and egg boxing. It is a game that pits two people, each with a hard-boiled egg, who then smash the eggs against each other to see whose eggshell remains intact. The winner is the person whose eggshell doesn't crack. It sounds weird, but there are actual rules to this contest. The World Jarping Championship takes place each Easter in Durham, England. This game is also played in the U. S. in New York City by the Saint Nicholas Society. This organization is made up of men who are descendants of early Dutch and English settlers of New York City. One of its prominent members was Theodore Roosevelt. The children of France don't get their chocolates and presents from the Easter bunny but the Easter bells. No church bells may ring between Holy (Maundy) Thursday and the Easter Vigil due to the solemnity of the time of Jesus' crucifixion and death. A legend evolved that said the church bells weren't rung because they grew wings and flew to Rome to be blessed by the Pope. They returned on Easter with goodies for the children and to ring the good news of the Resurrection.

While India is not a predominately Christian nation, elaborate Easter festivities still occur. The State of Goa in Western India celebrates with plays, songs, and dances. People exchange chocolates, flowers, and lanterns as gifts. Similar celebrations also take place in Northeast India.

Ethiopians refer to their Easter celebration as Fassika. They wear white clothes called Yabesha Libs. The Ethiopians observe the Eastern Orthodox calendar; thus their Easter this year is April 28. While a large festive meal is eaten on Easter, on Holy Thursday a special dish of beans mixed with wheat and then boiled is consumed. It is believed this food symbolized the Old Testament Passover.

These are just a few examples of the many Easter traditions observed all over the world. While they differ greatly their purpose is the same, to celebrate the Resurrection of our Lord and Savior, Jesus Christ. He is Risen! He is Risen Indeed!

## April Prayer Focus - Nancy Landerholm

1 John 1:8-9

"If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, He is faithful and righteous to forgive us the sins, and to cleanse us from all unrighteousness."

Jesus, speak truth to my heart, show me where I am in rebellion against you. Help me come to you with a repentant heart confessing my sin. You will forgive, cleanse, and lead me into righteousness. I praise you that you are faithful in all you say and do.

**Change the World Day**

This Lent we can make a difference! Use the Change the World Day coffee cup to collect money for Rise Against Hunger. A Keurig cup is about 25 cents. A cup of coffee at McDonald's is about \$1. And of course, Starbucks can set you back at least \$4. Consider giving up a cup of coffee and donating that money. Yes, tea, energy drink, and pop drinkers, you can participate, too!

For the 40 days of Lent, these donations will add up. Checks can be made out to MUMC and noted "Change the World Day". Donations can be placed in the offering plate any Sunday or you can turn in your cup at the end of Lent. You can give online or through the app, just select "Change the World Day" as the fund from the pull-down menu. More information will follow about where to turn in your cups.

MUMC has committed to raising \$10,000 to provide 30,000 meals. If everyone attending service on a Sunday gave \$20 this Lent, our goal would be met!

The Mentor 5K Race for Rise Against Hunger/Change the World Day is Saturday, May 11 from 8 AM to 10:30 AM. Meal packing is Saturday, May 18. More information will be coming soon. Thank you!

## "It Is Finished" A Tenebrae Service with Lenten Cantata

Presented by the Chancel Choir and Chamber Orchestra  
Good Friday, April 19, 2019, 7:30 PM

You are invited into this place to survey the wondrous cross and to contemplate the dramatic and historic events of Holy Week. We will hear again the Holy Scripture and story of God's loving plan and purpose in the suffering of Christ to redeem us from sin and death.

We will pray that we may be transformed anew as we remember Christ's humiliation and that we may be taught obedience as we remember Christ's obedience until death. May we love one another as Christ showed love for all people.

"Tenebrae" comes from the Latin meaning "shadows" or "darkness," so it is a service of shadows. The Tenebrae service makes use of gradually diminishing light through the extinguishing of candles to symbolize the events of Holy Week from the triumphant Palm Sunday entry through Jesus' burial. The increasing darkness symbolizes the approaching darkness of Jesus' death and hopelessness in the world without God.
